

Powerboat Rides

We have a range of professional high powered Rib Speed boats launching from 2 prime areas on the Menai Strait.

Black Jack

Departs from Beaumaris and Menai Bridge. Black Jack is an 8m legend. She holds the "true" round Anglesey record for completing the circumnavigation in just over **1 hour 30 minutes**.

A Suzuki 250hp engine hangs off her stern.

Ribeye 785s

Departs mainly from Conwy. The Ribeye is a lean mean stealth boat – powered by an advanced Evinrude Etec she is happy cruising sedately down the Conwy River but when she opens up she is hypersonic!!

The Beast

The Beast

Generally from Beaumaris and sometimes Conwy. The Beast is probably the biggest fastest Rib on the Menai Strait. She is a 9m Ribcraft powered by twin Evinrude G2 outboards which produce **500hp!**

All our boats are coded by the MCA to carry passengers up to 20 miles from safe haven.
